Thanks Dennis: We were aware of this development. The miner's flyer is attached to my hot issues report this week. The sequel is called: "Occupy 2: Rumble on the River." I kid you not. Jim

Dear Randy'L, Bill and Cleve-

I wanted to let you know that the suction dredge miners and the South West Mining Association are planning another rally this summer. This time on the South Fork of the Payette River.

I would be happy to answer any questions that you might have, but at this point, don't have any more specific information on the rally, beyond what's provided on the flyer pasted below.

thanks,

jonathan
